

Condolences go out to The Kerr & McFoy Families on the passing of our dear sister, Dorla Yvonne McFoy who has gone on before us.

In Loving Memory

## You Meant So Much

You meant so much to all of us  
You were special and that's no lie  
You brightened up the darkest day  
And the cloudiest sky

Your smile alone warmed hearts  
Your laugh was like music to hear  
I would give absolutely anything  
To have you well and standing near

Not a second passes  
When you're not on our minds  
Your love we will never forget  
The hurt will ease in time

Many tears I have seen and cried  
They have all poured out like rain  
I know that you are happy now  
And no longer in any pain. *By: Cassie Mitchell*

Love is Patient

### 'Be Real'- What Does It Mean?

Love is Kind!

*"I was with you in weakness, in fear and in much trembling."*  
NKJV—1 Corinthians 2:3

*Paul is being very honest in this verse. He is not trying to make himself look better than he really is. He isn't covering up his weakness. In fact, in 1 Timothy 1:16, Paul proclaims that he is an example of God's longsuffering. He is not a perfect man but a perfect example of God's loving-kindness, grace and mercy.*

*At times, Christians act like we don't have any problems. The trouble with this is that it leaves an impression to those who don't know Jesus. They see Christians pretending they are not messed up and assume that since they still struggle with problems, they don't belong in church. In doing so, are we proclaiming God's goodness or our own?*

*We need to proclaim God's goodness by being open about our problems and proclaiming that it is the goodness of God that saves! That's being real. It's real life, demonstrating the real love and real hope of the real God. In your weakness, the Good News of Jesus Christ is made strong. Man cannot save himself. There is no perfect person in this world. All have sinned and fall short of His glory.*

*Do you know your short comings, or can you only see faults in others? We all have faults, but God in His goodness gave His son so that we can be redeemed.. We need to remember that God forgives, so we must also forgive.*

*Do you find it hard to forgive, or to ask for forgiveness? Who do you need to forgive today?*

***We should be real with people and not portray some 'False Spirituality'.***

*The Spoken Word: "Appreciate & respect the power of the word (speech); never misuse this power by swearing, vulgarity, lying & deceit; falsifying another's statement, or destroying the reputation of others."*

\*\*\*\*\*

*The one who plants & the one who waters have the same purpose. The Lord will give each of us a reward for our work. We work together with God. You are like God's field.*

*You are like His building. God has given me the grace to lay a foundation as a master builder. Now someone else is building on it. But each one should build carefully. No one can lay any other foundation than the one that has already been laid. That foundation is Jesus Christ. 1 Cor. 3- 11. (NlrV)*

### From The Pastor's Pen

### Pastor Lloyd Stanford

*The call for an awakening is needed, an urgent call to the church. Any contractor will tell you that putting up the form & shell of a building is easy, but the interior and finishing work is skilful, timely & delicate..*

*Above all, the foundation must be right. Jesus the master builder had already laid the foundation when he said,. "I will build my church; and the gates of hell shall not prevail against it."*

*The Lord is now working on the finishing touches as he washes the church with the word in preparation of His return for the church.*

*Jonathan Edwards was a man who believed in the absolute sovereignty of God. He was used by God for the first Great Awakening and was even impactful in the second great awakening. Even with Edwards' deep abiding belief in God's sovereignty, he called upon God's people to act because he believed God would listen to the promptings of His people.*

*Therefore, as we engage in the call for revival, we look back at the great work that God has done. We must fully embrace the deep belief that God responds to the prayers of His people.; especially when these prayers are cried out to Him in desperation and done in an extraordinary way. Evidence is becoming clearer in the church and our nation that God is calling His people into a season of special focus and commitment.*

*God's people must then spend time in His word, listen to His still small voice, and walk in obedience as we play our part in the building of His church.*

*'Everyday may not be good, but there is something good in every day'*

**Think On This:** Do you live by double standards? Are some things good for a few people & not good for others? How do you treat people? Do you think you are better because of your job, home ,finances or marital status? What does God expect of me?
